

2-Bedroom Apartment in Engomi, Nicosia

For Sale : **€ 250,000**

Description

This new-build development comprises a limited collection of one, two and three-bedroom apartments finished to a considered specification. Living areas, bedrooms, bathrooms and verandas are laid in ceramic tiling, complemented by white interior emulsion paint and anthracite aluminium frames with double thermal-insulating glazing. Each apartment is fitted with a solar water heater, an independent pressure system and electric heating, while glass balcony railings and electric shutters to the bedroom windows add a further layer of comfort and security. Kitchens come with granite worktops and white melamine cabinetry with veneered doors, and two and three-bedroom units include a dedicated photovoltaic system. Every apartment includes a private storage room and a covered parking space.
