

2-Bedroom Apartment in Archangelos, Lakatamia

For Sale : € 260,000

Description

Set in a sought-after pocket just off a leafy avenue, this development offers easy access to the main road network and sits close to government offices, private services and university campuses. Construction follows a reinforced concrete anti-seismic frame with an energy class A design, thermal facade insulation, large-format ceramic tiling and thermal double-glazed aluminium windows. Each home includes its own storage room, covered parking with EV charger provision, solar water heating, and provisions for air conditioning, heating and electric shutters, with a machine-room-less elevator serving the building.
